AWARDS

- **FY18 A-List Maharlika Awardee**
 - Accenture | November 2018

To drive the shift to Leadership DNA, the new recognition framework aims to acknowledge "Role Model" talents – one who experiments, inspires others, works across boundaries, and adapts to the constant change around us.

SUMMARY

A Career Shifter from Transaction Processing Associate in Finance Department into an aspiring Web Developer. I successfully completed the intensive 4 months long Coding Bootcamp which I learned to design and build applications from front-end to back-end and passionate about learning new technologies.
